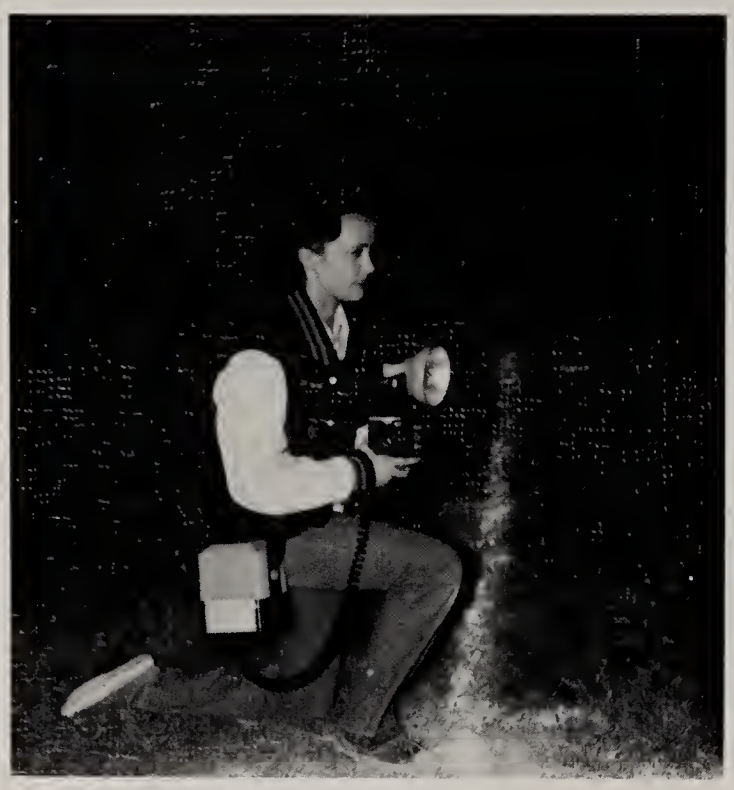
We May Never Pass This Way Again

Fv Monkeymen



FV's Picture Taker

It's NOT working.

Silence is golden.

Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years
will come and go
And take us up - always up
We may never pass this way again
We may never pass this way again
We may never pass this way again
So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again

1973 Homecoming Court from left to right: Susan Brown, Wendy Foust, Queen Diana Sailer, Kathy T. Hale, Irma Moreno

Royalty Reigns in 1973-74

Although the weather was cold and windy the crown still turned out for the Apaches' Homecoming Game with Edgerton.

The evenings festivities were started by the procession of the Queen and Court. After the crowning of the Queen, she and her Court were escorted to their seats. The evening proved to be exciting as the Apaches defeated Edgerton by a score of 44 to 14.

Queen Diana smiles as she watches the Apaches win over Edgerton.

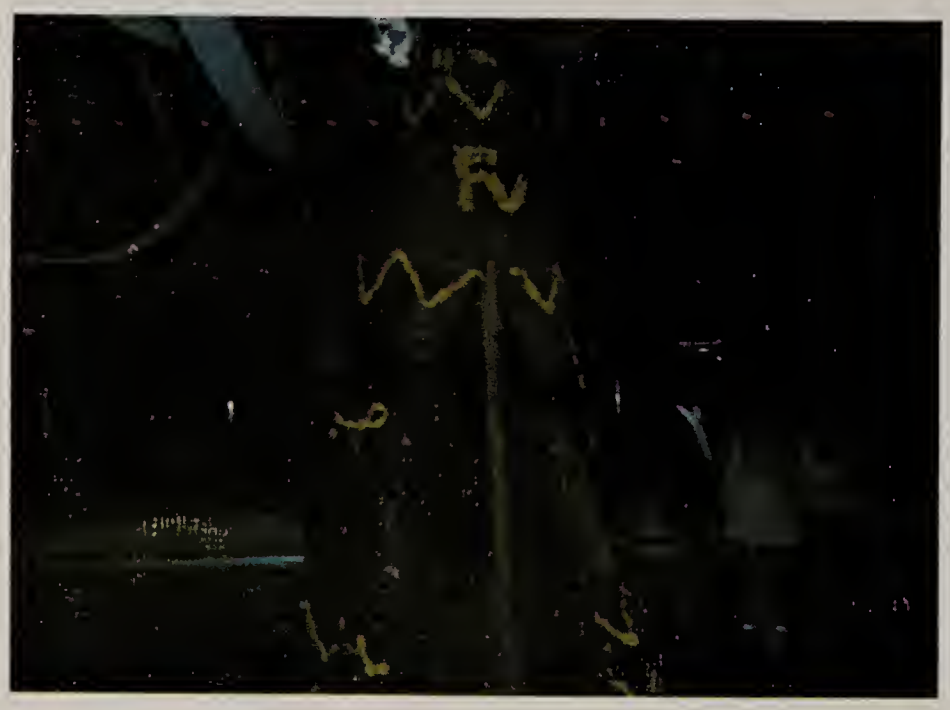
Apache Autumn 1973

Look Kelly, it's the man from Glad!

Quit looking at me! You like me or something?



Apache teepee brings interest.

This years Homecoming Dance proved to be successful with the help of the National Honor Society and the Student Council.

The theme, "Apache Autumn", set the mood for this years 1973 dance and all who attended thought it was great!

Ring around the collar!

Not another one of those dumb jokes!

The Time for Love Is Now!

On February 8, the FHA and Student Council combined their Christmas Dance and Sweetheart Hop to form a Valentine's Dance. A large number of students and their dates enjoyed themselves by listening and dancing to the music of "Addison Burke" and helping themselves to the numerous refreshments that were provided.

Now that you mention it, I am rather cute!

Pucker Power!

Did you see the Christmas tree in the corner?!!

Comedy and Variety Highlights

This year the Chorus presented "Fairview Follies," a mixture of various styles of music combined with a touch of humor. All of the members participated in the show and the audience was also included in a sing-a-long consisting of such songs as: "In the Good Old Summer Time," "Let Me Call You Sweetheart," and "School Days."

The entire chorus filled the stage as they sang "Sunshine In My Soul." Slides were shown of various beauty marks of America while the chorus sang "Morning Has Broken." This song was also dedicated in memory of Jim Kimple.

The newly formed Swing Choir performed the song "I'd Like to Teach the World to Sing." Various solos and several ensembles also performed.

The music was taken from the 1920's through 1974. Costumes were worn appropriately to fit the songs and scenery was made by the Drama class to help set the mood.

The finale consisted of patriotic songs and the lowering of the American Flag from the ceiling. The members of the chorus considered this year's musical a tremendous challenge and those who viewed the show know that it was a great success.

The Warrior's Husband

Sapiens (Bev) and Hercules (David) come out of hiding as Pomposia (Jane) and Buria (Jean) watch.

Theseus (Tim) withstands the pain after being shot by members of the woman army.

Antiope (Myla) pleads with Achilles (Mike) to be set free from the male camp and return to her own.

Under the direction of Mr. Dean Edwards, the Fairview Dramatics class presented THE WARRIORS HUSBAND, a comedy satire on women's liberation.

The play centered around the Amazon women and their fantastic strength, which was provided by the girdle of Diana. The Amazons had their strength put to the test, when Greek men appeared and attempted to obtain the girdle. After much confusion and a lot of laughs, the Greek warriors returned to their own country leaving the Amazons to return to their old way of life.

The class prepared for three weeks and practiced every night the week of the play. The audience responded well, greatly rewarding everyone's efforts.

Pomposia (Jane) comforts her son Sapiens (Bev) as he cries on his mother's shoulder as the Queen insults Sapiens. Pomposia wishes to have the Queen marry Sapiens.

Queen Hippolyta (Bozo) sits on her throne as she gives orders to her officers of the army. The male army is planning an attack and a defense is being prepared.

Sapiens (Bev) flirts with the Queen in hopes of becoming the first husband to occur in the female city.

Antiope (Myla) argues with Theseus (Tim) on the virtues of being an unattached woman.

Pomposia (Jane) and Heroica (Terri) argue over the idea of Pomposia's son marrying the Queen while Caustica (Kathy) puts in a few words on Heroica's behalf.

Hippolyta shuns Sapiens as he is being introduced to her by Pomposia. Antiope is in the background pleading with the Queen not to give in to the idea of marriage.

'74 Junior

"The Casino Royale" was the theme of the Junior Senior Prom this year. The activities started with the banquet, a new addition to prom night, followed by the dance. Streamers lined the gym with a huge slot machine in the middle of the floor. Side attractions were chorus girls "dancing" and cashier windows were provided to "place bets." Many couples took time out to sit by the water fountain and watch the action. A movie and bowling followed into the early hours of the morning until all met back at Fairview for breakfast.

Work and fun went into making the prom a big success!!

Assemblies

The B.G.U. Stage Band under the direction of Mr. David Mille, presented modern jazz.

Assemblies bring the good times to Fairview! Among the assemblies presented to the student body this year were North and West, a husband and wife team who kept everyone entertained with modern folksongs. Also, Johnny Palmer delivered a lively presentation of memory and sleight of hand. The highlight of the program was when Mr. Palmer told everything that was in TIME magazine, by memory. Bruce Martin, a solo actor, presented poetry in such an interesting fashion that even non-poetry lovers enjoyed his act. "I Dreamed a World," "Mother and Son," and "Amen" were a few of the poems. The Defiance County Sheriff's Department introduced L.B., a German police dog especially trained to detect marijuana. Different packets of marijuana, placed around the gym were uncovered by L.B. as he demonstrated his abilities.

Also, the Bowling Green State University Stage Band, under the direction of Mr. David Miller, played modern jazz before the student body. The popular band consisted of five trombones, six trumpets, six saxophones, a trap set, and electric bass, and a piano.

L. B. poses for just another picture!

IN MEMORIAM

The curtains came to a close for the last time in the life of a brave and courageous Fairview student, Jim Kimple. Jim's last three years were years filled with pain, suffering and the agony of uncertainty. Despite the multitude of physical problems that Jim encountered he stepped across the threshhold of each new day with the determination and courage to live a useful and worthwhile life.

Jim Kimple will long be remembered as the good-natured guy with a ready smile on his face; as the young man who carried his awesome burdens like a real gentleman; as a brave and courageous person whose life will be an example for every student who passes through the doors of Fairview High School.

Juniors '75

A Junior is one who knows, and knows not what he knows - wake him. What will Juniors know? The joy of a ring, the headache and thrill of a prom, the privileges of the "older kids," the responsibility of mature student leadership, the expectations of the year ahead. But they will make it - they have what it takes - follow them.

IN MEMORIAM
Kim Tressler

1956 - 1973

Near shady wall a rose once grew,
Budded and blossomed in God's free light.
Watered and fed by morning dew,
Shedding its sweetness day and night.

As it grew and blossomed fair and tall,
Slowly rising to loftier height,
It came to a crevice in the wall
Through which there shone a beam of light

Onward it crept with added strength
With never a thought of fear or pride.
It followed the light through the crevice's len
And unfolded itself on the other side.

Sophomores

A Sophomore is one who knows not and knows that he knows not - help him.

What do Sophomores need? A chance to grow, to obtain the status of "upperclass" to get over the trauma of the Freshman year, to mature.

One year has gone by and another has begun but there are still many new faces and many new situations . . .

In Memoriam

Life passes all too quickly for those who are suddenly taken from our midst. We take that person for granted and then, suddenly, that person is no longer with us and we ask ourselves "Why?" So it was with David Ensign, a sophomore at Fairview. David's light shone on those whose lives he touched, and the horror of the automobile accident that took his life on October 20, 1973, became a grim reality. For those who knew him, the sorrow in their hearts can never be quenched, only dimmed with the passing of time. We can only hope Dave had enough time to pass on his love of life to someone in some way. (Pat Thomas)

Language Club — Forked Tongued

The Foreign Language Society started the year out with a surprise party for the foreign exchange students. Bob, Doris, Stu, Isabel, and Melida. We got to know them better and even the Ouija board got into the act of predicting everyone's futures.

The Christmas season brought out the FLS Carolers - we learned some of the carols in Spanish, French, and German. The rest were in English. A little snow is great for carolers, and their spirit, but this year it closed school, and we are waiting for next Christmas.

How about some Mexican folk-dances? You say you have two left feet - so do some of us, but we tried anyway, and we were great. After 1 1/2 hrs. of Mexican dances, some of the more hardy dancers tried the Charleston and our latest dances.

Snails! Not me! Well a few gourmets tried them Foreign Foods Night. Adios and Au revoirs were wished between groans and gurgles. All the Alka-Seltzer was used.

Spring-time brought a roadside clean-up contest between NHS and the FLS. The outcome - a cleaner, neater, countryside.

The final meeting featured several foreign exchange students and their ideas about the US, and final Bon Voyage wish to our Foreign Exchange Students!

Varsity Club Supports F.V.

This year the Varsity Club initiated 29 members to increase their membership to 47. For money-making projects, the organization sold spirit jackets, shirts, license plates, papers with the football team's picture, and mums for homecoming. Activities included a cookout in May and the club attended a Detroit-Milwaukee basketball game.

Officers for the 1973-74 were: President: Doug Keesbury; Vice President: Denny Haller; Secretary: Les Maugel; Treasurer: Mark Rhodes.

N.H.S. — Brains of F.V.!

Better glad than mad.

You've Got a Friend!

The National Honor Society has been very active this year. In October, there was a formal and informal initiation with 15 new members being accepted into the organization. Instead of the N.H.S. members exchanging Christmas gifts among themselves, fruit baskets were made and distributed to many elderly people in our area. A family in Farmer had a fire which destroyed their possessions, so the N.H.S. members donated canned foods to present to the family. The final project was a trash pickup day. The members joined forces one Monday morning when school wasn't in session, and collected litter from many miles of roads. Two trucks were filled. To end the year, the N.H.S. had a banquet and elected the officers for the 1974-75 school year.

Involvement!

The Fairview FHA Chapter with a membership of 68, participated in many projects this year. They started out the year with a pot-luck dinner and formal initiation of new members with their mothers attending. As fund raising projects, the chapter sold Tom Watt in the months of October and November. This money is used for state convention and field trips.

The Chapter's in-depth project is involving FHA members with senior citizens. Members were divided into groups to visit the Fountain Manor Nursing Home throughout the year and each member "adopted" a resident of the home to send gifts and cards; and to visit them.

FHA involved many people by having fun, exciting and yet educational meetings. A Halloween party where everyone came dressed in a disguise proved eventful and different. The Children's Home was the center of a meeting that the fathers attended while a movie on self-defense entertained at another monthly meeting. The Archbold Radio Station hosted Fairview FHA in a radio-TV program. This summer Fairview will construct the annual booth at the Defiance Co. Fair.

FHA provides many different types of fun and yet educates you in many areas. Being a member means you've helped to make someone's life a little brighter. Being an FHAer means not only talking about being involved . . . You are involved.

Fairview's Journalists

A Challenge!

Putting together the 1974 Warrior was a challenge to even the experienced members on this year's staff. Besides completing the usual task of coming up with creative layouts, Fairview's journalists have added eight pages of color to the Warrior and increased the size of the pages from 7 3/4" by 10 1/2" to 8 1/2" by 11". It took hours of work and a great deal of patience to produce over 150 pages that pleased Mr. Rupp, but the job was finally completed.

Although many headaches went into the making of the Warrior, it was also a lot of fun and proved to be very worthwhile. We hope that our efforts were successful and you are pleased with this year's yearbook. Many members of the staff will be returning next year to make the 1975 Warrior even better.

Hassles, Hardwork and Fun . . .

Each of the twenty members of the War Whoop staff learned what frustration was this year when Tuesday morning deadlines rolled around. It was always a hassle on Monday evenings with everyone trying to get their page done. It seems there were never enough typewriters to go around and even when you did manage to come up with one it wasn't good enough because you didn't know how to type. Then there were the glue bottles that were always empty and the blank minds that could never come up with suitable captions and headlines. It was quite a hassle every time another issue was due, but we all survived to publish nine informative issues of the War Whoop. Despite the frustrations, we did learn a great deal about writing and layouts. Working on the War Whoop staff proved to be a rewarding experience.

Band's Talent and Versatility Makes Success!!!

The year of 1973-74 was the best year yet for the Apache Band. The season was opened by a trip to Windsor, Canada. The band marched in the annual "Freedom Festival Parade" and competed in drills. The band also made its first appearance in the Toledo American Legion Parade. An excellent county fair show was the harbinger for the Superior halftime shows which were performed at all football games in the fall.

As the marching segment of band progressed, the group traveled to Defiance to participate in the second annual "Defiance Spectacular," with guest clinician Bill Moffett.

The first performance for the concert band was the Christmas concert, followed by an exchange concert with Tinora.

Another first was when the Pep Band, twice, ventured to Defiance College to provide basketball halftime entertainment.

Next on the schedule was solo and ensemble contest which was followed by Concert Band contest.

The 1973-74 year was concluded with the band playing at local towns for Memorial Day services.

It's wonder woman.

NEWLY ORGANIZED SWING CHOIR JOINS CHORUS

The chorus had quite a full schedule this year. Officers were: President - Jane Switzer, Vice President - Ken Losey, and Publicity Chairman - Ann Wilhelm.

"Fairview Follies," our own original production, was the chorus's first main project in the fall. Afterwards, everyone practiced for a Thanksgiving assembly and our Christmas Concert. After vacation, many members prepared for solo and ensemble contest at BGSU.

One of our own ensembles, the Swing Choir, made its first appearance this year. All 24 members sang for gatherings such as the Methodist Churchmen's Banquet, Christmas Services, Williams Center mother and daughter banquet, and the Mark Center Alumni Banquet, along with contest and concerts.

District competition was held at Maumee this year, where the Mixed Chorus and the Girl's Glee received superior ratings and advanced to state competition at Bowling Green in April. The Boy's Chorus also received an excellent rating at contest.

Immediately after state contest, the entire chorus sang at the Presbyterian Church in Bryan for Sunday morning services. The presentation was broadcast over WBNO in Bryan.

The Chorus finished their year's activities with an exciting spring concert in May. Their final appearance was at commencement on May 26.

F.V.'s Teachers Learn!

This year under the capable leadership of advisor Mr. Mountz and President Myla Johns, the F.T.A. earned money by selling badges and ribbons during football and basketball seasons. They awarded $100.00 of this money to Mrs. Johns for books for the school library. Some other F.T.A. activities were helping at the Ney Science Fair and taking a trip to Bluffton College.

I'm sure that all 66 members had a fun, and fulfilled year, with all of the experiences that the F.T.A. had during 1973-74! -Wendy Foust

Activities

GAA officers presiding over all 91 members of the 1973-74 school year were: Jane Switzer - President; Jean Westrick - Vice President; Kathy Siler - Secretary, Deb Edwards - Treasurer; Wendy Foust - Point Editor; Loretta Sonner and Sherry Mack - Historians and Reporters; and of course our hard-working and understanding advisor, Mrs. Heisler.

Main sports of the year included volleyball, basketball, softball, bowling and track. Each of these activities were played both intramurally and in competition, with area schools including coed track meets. Other sports such as badminton, tumbling, ping-pong, the trampoline, and several combinations were also practiced at the weekly meetings on Monday nights. Many girls worked hard and became good saleswomen in their efforts toward our main project - selling FV pennants.

To close the year, the GAA sponsored a bike hike and also a regular hike to Ney for the annual awards day and picnic.

They Walk On . . .

Showing the Spirit of Winning and Showing the Sportsmanship of Defeat

The young and inexperienced Apache football squad suffered a rough season with a record of three wins and six losses. The team started the year out with a loss to Edon, and came back to defeat Antwerp and their Homecoming rival the Edgerton Bulldogs. They lost the next four and then beat Hilltop, before being knocked down by Bryan on Parent's Night. The Apaches ended the season with a 3-2 league record, placing them third in the Northwest Buckeye League.

Though the season proved to be disheartening, the experience that the gridders gained should bring more hope to next year's squad with a possible eighteen returning lettermen.

Cross Country Wrap-Up

The Apache Cross Country team, under the direction of Coach Mohr, suffered through a dismal 6-13 season. However, records cannot express the determination and desire that sustained these fine young men and their efforts. Defeat was accepted gracefully and victory led to a deep, inner glow of satisfaction for the Apache Harriers. Their league record was 3-6.

Ole Barrera was named the Most Valuable Member, and Terry Dubree was named Most Improved. Joe Jerger received a four-year varsity award and Denny Haller a three-year.

Great Season

With a 9-1 win-loss record only Defiance kept Fairview from having its first undefeated season. The Edgerton match was the only dual match that wasn't decided by twenty points or more as FV compiled 446 points to their opponents 167.

The team just missed winning the Napoleon Gold Medal Tourney by 1/2 point. Fairview easily won the first Green Meadows Conference Tournament by a 47 point margin as the Apaches had seven of the thirteen champions. The matmen also won their first sectional wrestling tournament held at Defiance. The Apaches had two first places, one second, and two thirds.

Young JV's Gain Experience

The Reserve Basketball squad finished the 1973-1974 season with a record of 6-12. Lack of height was a handicap throughout the season, and many games were lost in the final minutes because of this, while others were pushed into overtime. Overlooking the dismal record, the team played well in every game. There are many players from the Reserve Team which will strengthen the Varsity next season with their aggressiveness and hustle.

The JV's scoring average was 40.7 while they gave up 45.8 points a game.

Eyes on the ball, Steve!

Rookie seasons often prove to be unfruitful, which can be attributed to the number one for on the links - inexperience. The Apache linksmen failed to win a match all season even though there were several outstanding individual performances. The golfers, led by only one upperclassman and composed of many talented Frosh and Sophomores, have the future seasons of experience and success in front of them. Three of these team members were girls who showed marked improvement during the trials of our first season. Highlights of the season were Paul Krausen's individual and best performance of the team with a round of 45. Also much excitement and rivalry was initiated in the first annual Varsity-Faculty match.

FACULTY AND ADMINISTRATION

Superintendent

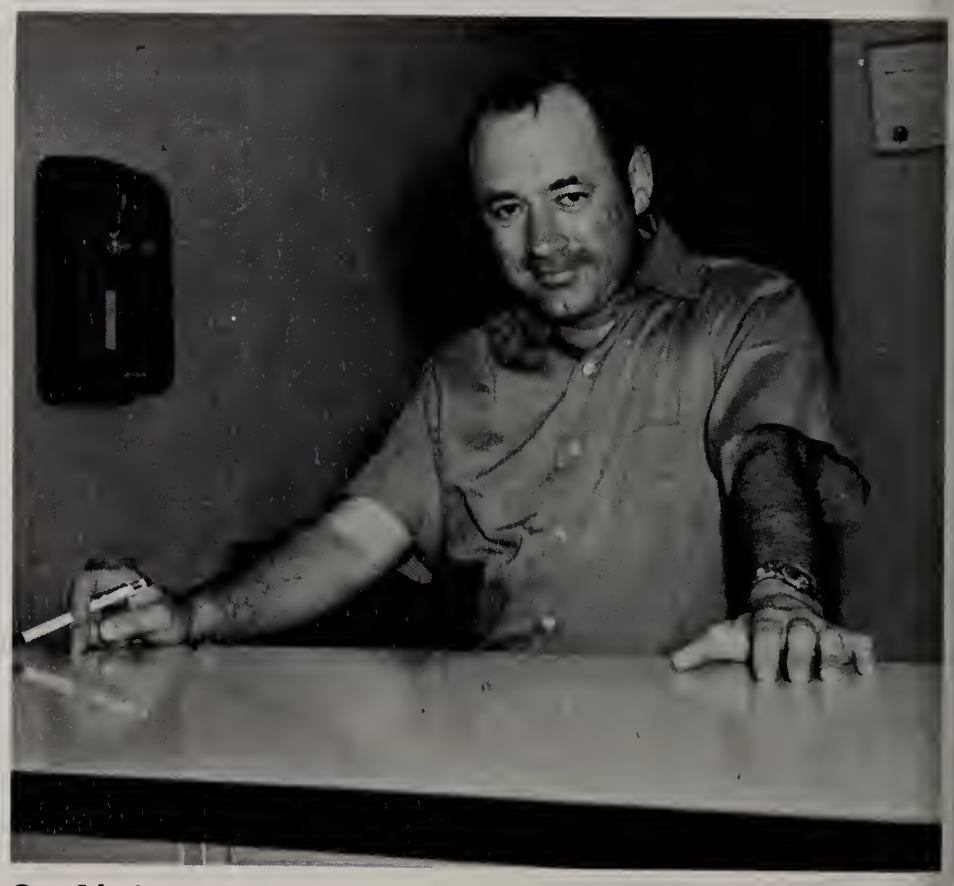
Mr. Darrell Jones served his sixteenth year as the Administrative Head of the Central Local School District. His duties included supervising vital school affairs and administering school bond issues. Hiring new teachers and organizing the school system added to his list of burdens.

Mr. Jones graduated from Defiance College with a Bachelor's degree and attended Bowling Green State University where he was awarded his Master's degree. He does post-graduate work at Bowling Green. During his leisure hours he enjoys hunting, fishing, and sports.

Mr. Jones takes an active part in community affairs with such things as: superintendent of Sunday School of the Mark Methodist Church; teaches a Sunday School class; and he's president of the Defiance County Cancer Society and Defiance County Board of Mental Retardation.

It's just one of those days.

Mr. Jones checks things over.



Can I help you with anything?

What can I do for you today?

Principal

Mr. Breisinger has always taken pride in going to any school activity where Fairview is being represented. He's there to listen to "your" side of the story when problems arise and tries to understand why you think as you do. Giving us opportunities to make our own decisions when we can, but laying down rules when we are too mixed up to see the right road to take. Thanks for giving us a chance to speak out.

Mr. Breisinger hard at work.

Mr. Breisinger helps pull the load.
